# 2021 Holiday Giving Guide

*helping families...changing lives*

## consider a gift card

*Gift cards empower parents and families to provide heart-felt, personalized gifts to their children. They are also small enough to store in larger quantities than traditional gifts so we can be mindful of our storage spaces.*

We kindly ask for \$25, \$50, & \$100 denominations to any of the stores below (and more), however, all donations are welcome and appreciated.
