

# BankWork\$

## program fact sheet

### improving your career prospects

**BankWork\$ is an entirely free program that prepares individuals for a career in the financial sector. The program covers essential skills and information needed to succeed in the financial sector such as business etiquette, money handling procedures, and banking regulations.**

Participants in this program are able to find secure employment, better pay, and advancement opportunities. This helps households better provide for themselves, their families, and gives them a chance to get ahead.

BankWork\$ partners with Arizona's top employers in the financial industry. Program graduates connect with the institutions and job opportunities they need, providing a bridge from career training to employment.

Enroll today and start on your new career path, filled with better pay, advancement opportunities, and long-term stability.
