

financial empowerment department fact sheet

empowering services

A New Leaf's Financial Empowerment Services seek to help households find financial stability, get ahead in the workforce, and ultimately start a business and pursue their dreams. The goal of these services is to assist individuals and households in achieving financial independence.

A New Leaf's programming consists of financial assistance, entrepreneurial training programs, employment support, career advising, and more.

These resources ensure households are able to assess their financial and career needs, and then find immediate solutions.

visible impact

Since 1971, A New Leaf has provided assistance to those most in need in our community, helping families, children, and adults overcome the challenges they face. With a rich ecosystem of services, A New Leaf provides a comprehensive foundation for families and individuals who fall on hard times or are looking to get ahead.
