## department fact sheet

### helping survivors in need

A New Leaf's Sexual and Domestic Violence Services provide essential, trauma-informed support for those who have experienced past and present sexual violence or domestic violence in Maricopa and Pinal Counties.

### sexual violence services

**Sexual Violence Survivor Advocacy & Support Services (SVASS)** addresses the unique, short, and long-term emotional safety and healing needs of those who have experienced sexual violence in the past and/or present. SVASS survivor-driven, healing-centered services provide support for survivors of all genders, sexual orientations and expressions.

### domestic violence services

**Domestic Violence Services** are dedicated to the immediate physical and emotional safety needs of those experiencing abuse in their home or familial relationships. Services provide a trauma informed approach to planning, helping survivors in need of support and assistance to safely move forward in their lives.
