

# a new leaf foster care program

## creating loving homes

**A New Leaf's Foster Care program helps foster parent get the licensing and support they need to create stable, happy homes for children in the foster care system.**

A New Leaf works to provide foster families with the services they need, ensuring that foster parents have the licensing, confidence, and resources they need to care for a child from the foster system. We believe in giving you all the tools and resources you need to be a successful and loving foster parent or family!

Our program include advocacy for children placed, support groups, initial and ongoing training, 24/7 on call support staff, and state compliance guidance.

## types of foster care

A New Leaf's Foster Care Program recruits and trains adults to become licensed foster parents or Respite Providers. Our trained staff members can help those seeking to get licensed for **Foster Care**, for **Kinship Foster Care**, or for **Therapeutic Foster Care**. Reach out to a staff member to see how we can help you on your fostering journey.

## become a foster parent

Start your journey towards becoming a foster parent today by applying to A New Leaf's Foster Care program. We will work with you every step of the way to ensure you are prepared, comfortable, and capable of providing a loving home to a child in need.
