Surprise, AZ

## comprehensive housing resources

**A New Leaf's West Valley Housing Assistance Center opened in July 2023 and offers emergency housing, warm meals, and more to families facing homelessness.**

This new facility hosts 7 apartment style units for families experiencing a crisis, giving them a chance to start fresh, find work, and save for a long term home or apartment.

Each unit is furnished similar to a home, making every family feel safe and dignified. Meals are offered three times per day at an onsite cafeteria, and a resource center will connect residents and community members to additional services.

The resource center can offer support for families experiencing homelessness, workforce services to assist adults in finding work, and acts as a west valley entry point for households to be assessed for shelter or housing assistance.

A New Leaf believes that no child, no family, should have to experience homelessness for any reason. Everyone deserves a stable, affordable place to call home. A New Leaf works to make this a reality by providing urgently needed shelter and support to those experiencing housing challenges of any kind.
